TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of North Hampton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said North Hampton on Tuesday, the 13th day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will raise and appropriate the sum of \$244.77* for T. R. A. The State will appropriate \$979.07. This money to be laid out on the Sea Road at Little Boar's Head.

4. To see if the Town will vote to support United States membership in a general system of international cooperation, such as that proposed at the Dunbarton Oaks Conference, having police power to maintain the peace of the world.

5. To see whether the Town will adopt a non-partisan ballot system as provided in Chapter 22 of the Laws of 1943.

6. To see if the Town will vote to appoint a Committee to look into the matter of new snow equipment. By petition.

7. Resolved that the Town raise and appropriate the sum of \$2,000.00 as a Capital Reserve Fund for the construction of a new School Building.

8. By Petition. Resolved that the Town transfer from

unencumbered surplus the sum of \$7,000.00 as a Capital Reserve Fund, \$2,000.00 to be used for the construction or reconstruction of the Town Buildings, \$5,000.00 to be used for the construction and acquisition of a water works system.

9. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 23rd day of February, in the year of our Lord nineteen hundred and forty-five.

IRVING W. MARSTON,
FORREST E. KNOWLES,
JOSHUA F. DRAKE,

Selectmen of North Hampton, N. H.

A true copy of Warrant—Attest:

IRVING W. MARSTON,
FORREST E. KNOWLES,
JOSHUA F. DRAKE,

Selectmen of North Hampton, N. H.

Certified to be correct

WILLIAM P. FOWLER,

Treasurer.

(Due to change of ending fiscal year on December 31, instead of January 31, some payments that would ordinarily have appeared in this report will be included in the next Treasurer's Report.)

REPORT OF LIBRARY TRUSTEES

During the past year the library has been improved by the repairing of the East wall of the building. The entrance and reading rooms have been painted and new shelves for children's books have been added. The librarian has decorated the rooms attractively in accordance with the season.

Work was continued on the inventory which we hope to finish this year. This project has been carried on outside of regular library hours by the librarian and volunteer workers to whom we are very grateful. Miss Catharine Pratt, Assistant State Librarian, spent a day at the library helping with this and other work.

The trustees wish to increase the salary of the librarian to cover an additional, regular, half day's work each week. This would include book binding and other work for which there has formerly been no recompense.

We wish to add a new set of encyclopedias which will be very helpful to the school children especially.

A picture fire has been started which can be used in co-operation with the school and organizations.

On Memorial Day special services were held at the library as the town dedicated a new outdoor Honor Roll of North Hampton men and women in the armed services of the United States. At the present time there appear 102 blue and three gold stars. The bullet board of addresses and photographs of persons in the services has been continued.

DOROTHY E. HOBBS

FRANCES C. LEAVITT

GORDON S. DOW

REPORT OF THE LIBRARIAN

To the Trustees of the North Hampton Public Library:

The following is a report of the library from February 1, 1944 to December 31, 1944.

Number of volumes added	144
Adult Fiction	80
Adult Non-Fiction	36
Juvenile Fiction	25
Juvenile Non-Fiction	3
Book Circulation	5,055
Magazine Circulation	368

Gifts of books were received from Mrs. Benjamin Appleton, Mrs. Irving Brown, Mrs. Theodore Griffith and Mrs. Jessie Lee. The North Hampton Jr. Woman's Club gave \$5.00 for children's books. Miss Malvina Hoffman presented a map, "The Races of the World" and her book, "Heads and Tales." The local Parent-Teacher Association donated the National Parent-Teacher Magazine and the American Legion Auxiliary Bulletin was donated by the Hamptons' Auxiliary.

Your librarian attended the Summer Institute at the State Library at Concord, June 19 to 30. A certificate was given for completing courses in classification, cataloging, book selection, reference work, administration and work with children.

During the past year one Christmas story hour was held under the direction of Mrs. Patrick Casey.

SCHOOL REPORT

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of North Hampton.

I herewith submit to you my fifteenth report as Superintendent of your schools. In addition to a report on the school during the first term of the current year, it will include the statistical report for the year 1943-1944, the promotion figures of June 1944, the summaries as reported to the State Board of Education and the tuition lists.

The current school year began on Monday, September 11, 1944 with an initial enrollment of 109 pupils. This is an increase of ten pupils over that of the previous year. The two lower grade rooms with thirty-one pupils each report the heaviest registration. Two additional pupils have already entered the third and fourth grades room.

Three of last year's teachers are not on the staff this year. Mr. Phillip Brown, Principal for the previous two years, is now on the teaching force of the Concord, N. H. schools. Mrs. Mary Naves, who has taught in North Hampton for sixteen years, resigned at the close of the past year. During her term of service, thirteen years of which was at Little River School, she was responsible for the earliest and most important school years for the children in the community. The registers tells us that 110 different children in grades one to six owe their success in later school years to the training received from a skilled and hard-working teacher. The total enrollment of her schools was 293. When she joined the staff at the Center School as teacher of grades three and four, she helped strengthen the work of that school.

Mrs. Janice Naves, as teacher of Art, is now teaching at Camp Devens. We are now in search of a qualified art teacher but it seems impossible to locate such a person.

Our Principal now is Mrs. Norman Leavitt. She is a former teacher in Portsmouth Junior High School. Under her direction the manual training work in the school has been greatly improved. The room next to the dining room has been enlarged and renovated, new tools and equipment purchased and a new course arranged. The girls of grades seven and eight are taking this work along with the boys. To them it is a new avenue of interest. Manual skill is valuable to girls as well as to boys. It is my recommendation that the arrangement be made permanent in North Hampton. It is in line with modern educational thought.

We were fortunate to secure the services of Mrs. Marion Knowles as teacher in grades three and four. She is a graduate of Plymouth Normal School and a teacher of successful experience. Her school room is a busy workshop, a place where pupils and teacher work together toward worthwhile accomplishments. We may be certain that the progress of her pupils will be definite and sure.

The work of Mrs. MacKenzie and Mrs. Parker is well known to all parents and citizens of North Hampton. They complete a teaching staff working in cooperative effort for the good of our pupils. North Hampton has not suffered from the prevailing scarcity of teachers, as have many towns.

Since the majority of our graduates now attend Hampton Academy and High School, it will be of interest to note that both the valedictorian and salutatorian of last June were former North Hampton pupils. Wilma Oliver was declared as highest ranking student and Caroline Wentworth as second highest. The December Scholastic Honor Roll of the present year lists ten of our graduates. All classes are represented among this group with two seniors, four juniors, one sophomore and three freshmen.

Our pupils are represented in music activities, class offices,

dramatics and athletics. The captain of baseball last year was Harlan Carter. If the success of a school can be judged by the work of its pupils in their later school life, North Hampton School is a successful school.

The pupils of North Hampton have conscientiously tried to do their part in the war effort. During the past school year they bought a total of \$590.90 in war stamps. During the winter vacation period a successful scrap drive was conducted. The school also took part in the milkweed pod collection.

It is planned to give a series of aptitude and interest tests in the school this year. This policy will use the latest methods of determining the type of work which interests each pupil. An accurate analysis of the pupil himself must follow. Many tests have recently been devised to measure aptitudes for definite types of work. As a result of this testing it is planned to lessen the number of misfits occasioned by a thoughtless choice of school subjects in high school or an ill-considered selection of occupation.

The moving picture machine presented to the school by the Parent-Teacher Association is of real value educationally. Many films are made to correlate closely with the pupils' work in history, geography, health, music and current events. Pictures make a more definite appeal and therefore facts are more easily taught in this way. Pictures will be increasingly used in all schools.

The report of our school nurse, Mrs. Sheehy, is included herewith. It shows measurable results of her work. It cannot show the care she has taken of the health conditions of our school and the preventative measures she has taken for our children.

Milk is again available to our children under the Agri-

cultural Marketing Administration. By a slightly revised system the children pay two cents for one half pint with the A. M. A. paying an equal amount. An average of eighty bottles per day is bought by our pupils. It is a service of real value. An unusually good lunch service is available to the children of our school. The food is nutritious and is neatly served. The menus are varied and the dining arrangements attractive.

The North Hampton P.T.A., as always, has been actively interested in the welfare of the schools. The organization is, this year, sponsoring a dental clinic.

May I again express my appreciation for help from you as a board. Such help can only result in continually improving results.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

January 26, 1945.

REPORT OF THE SCHOOL PHYSICIAN

To the School Board, North Hampton, N. H.

As was done last year we made a thorough examination of pupils in the second and sixth grades, reporting to the parents defects found which should be given attention. This examination was not completed because of absentees but will be finished later. We found but one case of serious trouble which I hope can be taken care of but on the whole we found the majority of the children to be in good physical condition.

As usual the most common trouble was found to be teeth and tonsils also not enough attention paid to the condition of shoes. I urge all parents to make sure that the shoes worn by the child are not allowed to become worn down on either side of the heel and that they fit properly, realizing that the present rationing problem does not make this easy to do. In addition to the grades examined for the first time we also checked those children in whom defects were found last year and were pleased to find that in most cases these had been corrected to a marked extent and in one or two cases a very great improvement had been made. I would like to suggest to the School Board that a rule be made requiring any child who is absent because of any contagious disease bring with him when he returns to school a certificate of recovery from his attending Doctor or the School Physician. This should help prevent the spread of many contagious diseases.

H. A. WHITE, M. D.,

School Physician

NOTE—The School Board has voted to adopt the above suggested rule, requiring a certificate of recovery.

REPORT OF THE SCHOOL NURSE

To the School Board of North Hampton.

Following are the health activities carried on in the North Hampton school from January first, 1944 to January first, 1945.

Most of the follow-up work and corrective work for the 1943 physical examinations were done during the winter and spring terms of 1944.

There was no dental clinic, however, there were eighty-four children who received dental treatment by their family physician. There will be a small dental clinic this winter which is being sponsored by the P.T.A.

A hot dish is being served at noon to about seventy-five children by Mrs. Hayden Brown.

About eighty children have milk at recess.

Three children had tonsillectomies performed.

Two unvaccinated children were vaccinated.

Five children had their eyes examined by a physician and received glasses.

Six children had glasses changed.

Number of children examined in fall of 1944 114

Number of children found to have defective teeth 34

Number of children found to have defective vision 15

Number of children found to have defective tonsils 12

Number of children found to have orthopedic defects 4

Number of children found to have cardiac defects 1

Number of children found to have defective hearing 1

The audiometer was used to examine all children in grades above the second grade.

All children are weighed and measured in the fall, winter and spring months.

There were twenty-five visits made to the school.

There were twenty-nine cases of mumps found during the fall term of 1944.

There were four cases of scarlet fever found in the fall term of 1944.

The P.T.A. sponsored a health examination for all children coming into the first grade. Eight children came to the clinic and were examined by Dr. White. There were no serious defects found.

I wish to take this opportunity to thank our superintendent, Mr. Gillmore, the School Board, teachers and the Parent-Teacher Association for their co-operation and wonderful help with my work.

Respectfully submitted,

ELOISE B. SHEEHY, R. N.

Newfields, N. H.

ANOTHER ENEMY TO CONQUER

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules :

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.
2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.
3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.
4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.
5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.

KEEP NEW HAMPSHIRE GREEN
